To be held at Saint Louis University Busch Student Center

Deadline: April 30, 2012

The 9th Annual Greater St. Louis Safety & Health Conference will be held October 16, 2012 at the Saint Louis University Busch Student Center in St. Louis, Missouri. The conference is proudly co-sponsored by The Safety Council of Greater St. Louis, The St. Louis Occupational Safety & Health Administration, and Saint Louis University.

The Conference Committee welcomes your participation and proposals! The Call for Papers has begun and proposals are now being accepted for presentations for the 2012 conference.

Some things you need to know:

- Presentations can only be 50 minutes in length and must be delivered as a lecture or a panel discussion.
- The deadline for proposals is April 30, 2012.
- Unfortunately, proposals submitted after this date may not be accepted.
- Proposals should be electronic and submitted to: [safetycouncil@stlsafety.org](mailto:safetycouncil@stlsafety.org) .
- The speaker's availability must be confirmed prior to submission of the proposal.
- Submissions will be reviewed and selected by the Conference Committee.
- All participants will be contacted by June 30, 2012.

Due to our very limited budget we ask that you consider volunteering your time as a speaker. We really appreciate your support and understanding in this matter.

Thank you, we appreciate your participation!
